Customer may make a reasonable number of copies of the Software solely as necessary for backup and disaster recovery purposes.

2.2 Enterprise Software Licenses. If an Order specifies an enterprise license for specified Software (“**Enterprise Software**”), then in addition to the license grant in Section 2.1, Customer may install unlimited instances of the Enterprise Software identified on the Order provided Customer does not exceed the processing limitations specified on the Order. During the Evaluation Period, LogRhythm grants to Customer a limited, non-exclusive, non-transferable, non-sublicensable license to install and use the evaluation Products or access and use the evaluation Cloud Service: (a) for internal use in a non-production capacity; and (b) to test and evaluate the Products or Cloud Service to assist Customer in its purchase decision. Any evaluation hardware provided to Customer shall remain the property of LogRhythm. Upon the expiration of the Evaluation Period the license or right of use granted to Customer will terminate and, within five (5) days after such termination, Customer will, at its own expense, uninstall all copies of the evaluation Software, and return the evaluation Hardware, if applicable, to LogRhythm. **The evaluation of the Products are provided “AS IS” and no warranty obligations of LogRhythm will apply and Support Services obligations do not apply to any evaluation Services.**

4. DELIVERY, INSPECTION AND INSTALLATION.

4.1 HARDWARE DELIVERY. If Customer is purchasing Hardware, then, subject to the terms and conditions of this Agreement, Customer hereby agrees to purchase the Hardware from LogRhythm, and LogRhythm hereby agrees to sell the Hardware to Customer, pursuant to the applicable Order and the following:

(a) **Delivery.** To the extent you purchase Hardware from an Authorized Reseller, terms of Delivery are as determined between Customer and the Authorized Reseller. LogRhythm shall ship Hardware, pay the freight and add the shipping costs to Customer’s invoice. Title to purchased Hardware (but not to any Software incorporated or embedded therein, which is licensed hereunder and not sold to Customer) and risk of loss and damage shall pass to Customer when the Hardware is put into the possession of the carrier at LogRhythm’s shipment location. LogRhythm shall use reasonable commercial efforts to meet the delivery schedule set forth in an Order, if any. All Hardware and Appliances shall be delivered to Customer

at Customer's address set forth on an Order and may be delivered in lots determined by LogRhythm.

(b) Inspection. Customer shall have ten (10) business days after receipt of the Hardware or Appliance (the "**Return Period**") to notify LogRhythm in writing of any discrepancies in the shipments or lost or damaged goods. LogRhythm shall only accept returns from Customer of any Hardware or Appliance for which notification is sent to LogRhythm during the Return Period. Any damaged Hardware and Appliances must be returned by Customer with a return material authorization ("**RMA**") number issued by LogRhythm and accompanied by a notice specifying the discrepancy.

(c) License Subscriptions. Notwithstanding any other provision of this Agreement, for License Subscriptions provided on LogRhythm Hardware, Customer receives a right to use the Hardware for the duration of the License Subscription Term. Title to and ownership of such Hardware shall remain with LogRhythm. Customer shall return the Hardware within 30 days of the expiration of the Subscription License Term or the termination of this Agreement, whichever is earlier. The License Subscription Term begins on the Delivery Date.

4.2 Security Interest.

(a) Customer hereby grants LogRhythm a purchase money security interest in all Hardware sold by LogRhythm to Customer hereunder and in any proceeds Customer receives from the resale thereof (including accounts receivable), until LogRhythm has received payment in full of the Hardware or Appliance fees (as applicable) and any related charges.

(b) Customer acknowledges and agrees that LogRhythm may apply to register a security interest in any Hardware supplied under this Agreement at any time before or after delivery of those goods. Customer waives its right under s 157 of the PPSA to receive notice of any verification of the registration.

(c) If LogRhythm at any time receives from Customer amounts which are less than the amounts due and payable to LogRhythm at that time under this Agreement, LogRhythm can apply the amounts it receives from Customer towards amounts due and owing to it in such order as LogRhythm chooses.

(d) LogRhythm may enforce its security interest in any Hardware by exercising all or any of its rights under this Agreement or the PPSA. To the maximum extent permitted by law, LogRhythm and Customer agree that the following provisions of the PPSA do not apply to the enforcement by LogRhythm of its security interest in any goods: sections 95, 118, 121(4), 125, 130, 132(3)(d), 132(4), 135, 142 and 143.

(e) LogRhythm and Customer agree not to disclose information of the kind mentioned in s 275(1) of the PPSA, except in circumstances required by sections 275(7)(b) to (e) of the PPSA.

(f) Customer must promptly do anything reasonably required by LogRhythm to ensure that LogRhythm's security interest is a perfected security

interest and has priority over all other security interests in the Hardware.

4.3 License of Software Only. This Section 4.3 governs delivery of Software that is not included with an Appliance. If Customer has not already obtained a copy of the Software, LogRhythm will provide Customer a support account from which Customer can download the Software and Documentation in accordance with LogRhythm's reasonable instructions. The Software shall be deemed delivered when a license key which unlocks the Software is provided to Customer and, if Customer is not already in possession of the Software, LogRhythm has enabled Customer to electronically download the Software. Customer is responsible for configuring Customer-provided hardware or virtual environment in accordance with the configuration parameters as noted in the Documentation. Any hardware or virtual environment configuration that does not comply with the Documentation and the requirements it contains may prevent the Software from operating properly and any such hardware or configuration may not be supported by LogRhythm.

4.4 Cloud Services. Unless otherwise specified in the Order, the Cloud Services Subscription term begins on the date that LogRhythm has provided Customer with, or enabled Customer to electronically download, a certificate or other authentication for access to the Cloud Service.

5. SUPPORT SERVICES; DEPLOYMENT; TRAINING.

5.1 Support Services. The initial Support Services term for perpetual Software licenses is one (1) year beginning on the Delivery Date unless otherwise specified in the Order ("**Initial Term**"). Thereafter, Support Services shall renew automatically for additional one (1) year terms unless Customer elects to terminate Support Services by providing LogRhythm with at least thirty (30) days' written notice prior to the end of the applicable annual Support Services term. Upon termination of such Support Services, Customer may continue to use the Software in accordance with this Agreement without the benefits provided under Exhibit A (Support Services). Support Services Fees for the Initial Term are set forth in the applicable Order and are invoiced on the Delivery Date. LogRhythm may increase Support Services Fees for a Support Services renewal term up to seven percent over the prior year's Support Services Fees. The Support Services term for License Subscriptions and Cloud Services Subscriptions is concurrent with the applicable subscription term.

5.2 Professional Services. Subject to payment of the professional service fees ("**Professional Services Fees**") set forth in an Order, LogRhythm shall provide to Customer the professional services specified in the Order and in accordance with Exhibit B attached to this Agreement and incorporated herein ("**Professional Services**"). Unless otherwise specified in an Order Customer must use any contracted Professional Services within one year of the effective date of the Order for Professional Services. Unless otherwise expressly stated in an Order, Customer shall pay all of LogRhythm's reasonable travel, meals and lodging costs and expenses incurred by LogRhythm in connection with the provision of all services by LogRhythm

at Customer's facilities under this Agreement. Upon Customer's request, LogRhythm shall submit written evidence of each such expenditure to Customer prior to receiving reimbursement of such costs and expenses.

5.3 Training. Subject to payment of any training fees ("**Training Fees**"), Customer may obtain training services from LogRhythm in accordance with the applicable Order ("**Training Services**"). Customer must use any contracted Training Services within fifteen months of the date of purchase of such Training Services.

6. FEES AND PAYMENT.

6.1 Payment Customer shall pay LogRhythm or the Authorized Reseller the applicable fees specified in the Order. Unless otherwise expressly provided in this Agreement, LogRhythm shall invoice Customer on the Delivery Date and Customer shall pay all invoices within thirty (30) days from the date of the invoice. Fees exclude, and Customer shall make all payments of fees to LogRhythm free and clear of, all applicable sales, use, and other taxes (excluding taxes based on LogRhythm's income) and all applicable export and import fees, customs duties and similar charges. If LogRhythm has a legal obligation to pay or collect taxes for which Customer is responsible under the Agreement, then the appropriate amount shall be invoiced to and paid by Customer, unless Customer specifies in the applicable Order that it claims tax exempt status for amounts due under the Agreement and provides LogRhythm a valid tax exemption certificate (authorized by the applicable governmental authority) at least five (5) Business Days prior to the date of the applicable LogRhythm invoice. LogRhythm may charge interest on all late payments at a rate of one and one-half percent (1½%) per month or the maximum rate permitted by applicable law; whichever is less, from the due date until paid. All fees are non-refundable unless otherwise expressly stated herein. If Customer purchases product or services through an Authorized Reseller, price and payment terms are between Customer and the Authorized Reseller.

6.2 Audit Rights. LogRhythm shall have the right, during normal business hours and upon at least fifteen (15) days' prior written notice, to audit or to appoint an independent audit firm selected by LogRhythm to audit Customer's records relating to Customer's activities pursuant to this Agreement in order to verify that Customer has complied with the terms of this Agreement. The audit shall be conducted at LogRhythm's expense, unless the audit reveals that Customer has underpaid the amounts owed to LogRhythm by five percent (5%) or more, in which case Customer shall reimburse LogRhythm for all reasonable costs and expenses incurred by LogRhythm in connection with such audit. Customer shall promptly pay to LogRhythm any amounts owed plus interest as provided this Section 6.2. Such audits shall be conducted no more than once in any period of twelve (12) consecutive months.

7. WARRANTY.

7.1 Product Warranty. For ninety (90) days after the Delivery Date ("**Software Warranty Period**"), LogRhythm warrants that the Product, when used in accordance with

the instructions in the Documentation, shall operate as described in the Documentation in all material respects. LogRhythm does not warrant that Customer's use of the Product will be error-free or uninterrupted.

7.2 LogRhythm shall, at its own expense and as its sole obligation and Customer's exclusive remedy for any breach of this warranty, (a) correct any reproducible Error in the Product reported to LogRhythm by Customer in writing during the Warranty Period, or (b) if LogRhythm determines that it is unable to correct the Error or replace the Product, Customer may terminate this Agreement and, LogRhythm shall refund to Customer all Product and Support Service fees actually paid for the defective Product, in which case Customer's right to use the Software shall terminate.

7.3 Cloud Services Warranty. LogRhythm warrants that, during the Cloud Services Subscription term: (i) the Cloud Services will perform materially in accordance with the applicable Documentation and (ii) LogRhythm will use commercially reasonable efforts to make the Cloud Services available 24 hours a day, 7 days a week, except for planned downtime. For any breach of this warranty, Customer's exclusive remedies are those described in the "Termination" and "Refund or Payment upon Termination" sections below.

7.4 Disclaimers. All express or implied guarantees, warranties, representations, or other terms and conditions relating to this Agreement or its subject matter which are not contained in this Agreement, are excluded from this Agreement to the maximum extent permitted by law.

7.5 High Risk Use. Customer shall not use the Products or Cloud Services with or in any application or situation where a software failure could lead to death or serious bodily injury of any person, or to severe physical or environmental damage ("**High Risk Activities**"). LogRhythm and its licensors specifically disclaim any express or implied warranty of fitness for High Risk Activities, and LogRhythm and its licensors shall have no liability of any nature as a result of any such use of the software or Cloud Services.

8. INFRINGEMENT CLAIMS.

8.1 Indemnity. LogRhythm shall defend Customer at LogRhythm's expense, against any claim demand, suit, or proceeding brought against Customer by a third party alleging that a Product or Cloud Service infringes or misappropriates any third party's Intellectual Property Rights (each, a "**Claim**"), and LogRhythm shall indemnify Customer from damages, attorney's fees and costs finally awarded against Customer as a result of, or for amounts paid by Customer under a settlement approved by LogRhythm in writing of a Claim. The foregoing obligations are conditioned on Customer (a) notifying LogRhythm promptly in writing of the Claim, (b) giving LogRhythm sole control of the defense thereof and any related settlement negotiations, and (c) reasonably cooperating and, at LogRhythm's request and expense, assisting in such defense.

8.2 Injunction. If the Product or Cloud Service becomes, or in LogRhythm's opinion is likely to become,

the subject of an infringement claim, LogRhythm may, at LogRhythm's discretion and at no cost to Customer (a) procure for Customer the right to continue using the Product, or (b) replace or modify the Product so that it becomes non-infringing and remains functionally equivalent; or (c) if in LogRhythm's reasonable opinion, neither (a) or (b) option is commercially viable, notify Customer in writing that this Agreement will terminate on the date specified in the notice of termination issued by LogRhythm to Customer. If the Agreement is terminated under this Section 8.1: (i) For Products, LogRhythm will refund Customer the fees paid for such Product computed according to a thirty-six (36) month straight-line amortization schedule beginning on the Delivery Date; and (ii) for Cloud Services Customer shall be entitled to a refund pursuant to Section 11.3; and Customer will be entitled to terminate any Support Services related to such Product or Cloud Service and if Customer elects to do so, those Support Services will terminate on the date specified in the notice of termination issued by Customer to LogRhythm and LogRhythm will refund to Customer the unexpired portion of the Support Services Fees.

8.3 Exclusions. Notwithstanding the foregoing, LogRhythm shall have no obligation under this Section 8.3 or otherwise with respect to any Claim to the extent based on: (a) any use of the Product or Cloud Service not in accordance with this Agreement or the Documentation; (b) any use of the Product or Cloud Service in combination with other products, hardware, equipment, or software not provided by LogRhythm if the Product, Cloud Service or use thereof would not infringe without such combination; (c) use of any release of the Software other than the most current release made available to Customer; provided that LogRhythm notified Customer that any Update to the Software could avoid infringement and further provided that LogRhythm will provide indemnity for use up to the date of such notification; or (d) any modification of the Software or Cloud Service by any person other than LogRhythm or its authorized agents or subcontractors. Section 8 states LogRhythm's entire liability and Customer's exclusive remedy for infringement claims and actions.

9. LIMITATION OF LIABILITY.

9.1 Subject to this Section 9 and LogRhythm's obligations under the Non-Excludable Provisions, and to the maximum extent permitted by law, in no event will either party be liable under this Agreement for any consequential, indirect, exemplary, special, or incidental damages, damages for any loss or corruption of data, loss of profits, revenue, goodwill or anticipated savings, or the cost of procurement of substitute goods or services, arising from or relating to this Agreement, whether in contract, tort (including negligence), in equity, under statute, under an indemnity, whether or not such loss or damage was foreseeable and even if such party has been advised of the possibility of the loss or damage.

9.2 Nothing in this Agreement excludes, restricts or modifies any right or remedy, or any guarantee, warranty or other term or condition, implied or imposed by any legislation which cannot lawfully be excluded or limited. This may include the Australian Consumer Law, which

contains guarantees that protect the purchasers of goods and services in certain circumstances.

9.3 If any guarantee, warranty, term or condition is implied or imposed in relation to this Agreement under the Australian Consumer Law or any other applicable legislation and cannot be excluded (a "**Non-Excludable Provision**"), and LogRhythm is able to limit Customer's remedy for a breach of the Non-Excludable Provision, then the liability for breach of the Non-Excludable Provision is limited to one or more of the following at LogRhythm's option:

(a) in the case of goods, the replacement of the goods or the supply of equivalent goods, the repair of the goods, the payment of the cost of replacing the goods or of acquiring equivalent goods, or the payment of the cost of having the goods repaired; or

(b) in the case of services, the supplying of the services again, or the payment of the cost of having the services supplied again.

9.4 Subject to this Section 9.4 and LogRhythm's obligations under the Non-Excludable Provisions, and to the maximum extent permitted by law, the maximum aggregate liability of each party for all claims under or relating to this Agreement or its subject matter, whether in contract, tort (including without limitation negligence), in equity, under statute, under an indemnity or otherwise, shall not exceed the amount of the Fees paid by Customer to LogRhythm during the twelve (12) month period preceding the events giving rise to such liability.

9.5 The limits on liability set out in this Section 9.5 shall not apply in respect of:

(a) LogRhythm's liability under the indemnity provisions in section 8.1;

(b) Customer's breach of LogRhythm's Intellectual Property Rights;

(c) any breach of section 10;

(d) liability for fraud or willful misconduct; or

(e) Customer's obligation to pay fees or charges to LogRhythm under or in connection with this Agreement.

10. CONFIDENTIALITY AND PRIVACY.

10.1 Confidential Information. For the purposes of this Section 10, "**Confidential Information**" means information that is disclosed by a party ("**Discloser**") to the other party ("**Recipient**"), or which Recipient has access to in connection with this Agreement, that:

(a) should reasonably have been understood by Recipient to be proprietary and confidential to Discloser or to a third party, including because of the circumstances of disclosure;

(b) is designated by Discloser as confidential, including by the use of legends or other markings; or

(c) is by its nature confidential. Confidential Information may be disclosed in written or other tangible form (including on magnetic media) or by oral, visual or other means. Confidential Information includes, without limitation, information of or relating to Discloser's present or

future products, know-how, formulas, designs, processes, ideas, inventions and other technical, business and financial plans, processing information, pricing information, specifications, research and development information, customer lists, the identity of any customers or suppliers, forecasts and any other information relating to any work in process, future development, marketing plans, strategies, financial matters, personnel matters, investors or business operations of Discloser, as well as the terms of this Agreement.

10.2 Protection of Information. Recipient shall not use any Confidential Information of Discloser for any purpose not expressly permitted by the Agreement, and shall disclose the Confidential Information of Discloser only to the employees or contractors of Recipient who have a need to know such Confidential Information for purposes of the Agreement and who are under a duty of confidentiality no less restrictive than Recipient's duty hereunder. Recipient shall protect Discloser's Confidential Information from unauthorized use, access, or disclosure in the same manner as Recipient protects its own confidential or proprietary information of a similar nature and with no less than reasonable care.

10.3 Anonymization. In the course of providing the Cloud Service to Customer, LogRhythm may collect, maintain and/or generate information derived from Customer's use of the Cloud Services or through LogRhythm's provision of the Cloud Services, provided that (a) such information has been anonymized in accordance with industry standards and any applicable laws and (b) neither Customer nor any natural person can be identified through analysis of the information ("Derivative Data"). Derivative Data is not Customer Data or Information, and LogRhythm may process Derivative Data for purposes other than the performance of the Cloud Services.

10.4 Beneficial Use. LogRhythm may retain aggregated, anonymized data based on the Customer Data for purposes other than the performance of the Services but only in an aggregated, anonymized form, such that neither Customer nor any person may be identified. LogRhythm shall retain right title and interest in and to any Indicators of Compromise discovered or developed by LogRhythm pursuant to this Agreement; (ii) and LogRhythm may use, copy, modify, distribute and sublicense, for the benefit of LogRhythm and its end-users, all other Indicators of Compromise disclosed to LogRhythm. For purposes of this Section 10.2, "Indicator of Compromise" means data, observable artifacts and patterns and groupings thereof indicative of a cyber intrusion, compromise or incident or user behavior and which can be modeled for use with LogRhythm hardware or software products. Indicators of Compromise discovered, developed or otherwise provided by LogRhythm pursuant to this Agreement are licensed to Customer for use with the LogRhythm Products and Cloud Services.

10.5 Exceptions. Recipient's obligations under Section 10.2 with respect to any Confidential Information of Discloser shall terminate only to the extent that such information: (a) was already known to Recipient at the time of disclosure by Discloser; (b) was disclosed to Recipient

by a third party who had the right to make such disclosure without any confidentiality restrictions; (c) is, or through no fault of Recipient has become, generally available to the public; or (d) was independently developed by Recipient without access to, or use of, Discloser's Confidential Information. In addition, Recipient shall be allowed to disclose Confidential Information of Discloser to the extent that such disclosure is: (i) approved in writing by Discloser prior to any disclosure; (ii) necessary for Recipient to enforce its rights under the Agreement in connection with a legal proceeding; or (iii) required by law or by the order of a court of similar judicial or administrative body, or in order to comply with any rules or regulations of any stock exchanges, provided that Recipient notifies Discloser of such required disclosure promptly and in writing and cooperates with Discloser, at Discloser's request and expense, in any lawful action to contest or limit the scope of such required disclosure.

10.6 Return of Information. Except as otherwise expressly provided in this Agreement, Recipient shall return to Discloser or destroy all Confidential Information of Discloser in Recipient's possession or control and permanently erase all electronic copies of such Confidential Information promptly upon the written request of Discloser. Recipient shall certify in writing signed by an officer of Recipient that it has fully complied with its obligations under this Section 10.5.

10.7 Privacy. If either party collects, uses, discloses, transfers or otherwise handles any Personal Information in connection with this Agreement, it must comply with all applicable Privacy Legislation.

11. TERM AND TERMINATION.

11.1 Term. The term of the Agreement continues until terminated as provided in Section 11.2 (the "Term").

11.2 Termination. Either party may terminate the Agreement if the other party breaches any material provision of the Agreement and does not cure such breach within thirty (30) days after receiving written notice thereof.

11.3 Refund or Payment upon Termination. If this Agreement is terminated by Customer in accordance with Section 11.2 (Termination), LogRhythm will refund Customer: (i) any prepaid, unused fees for services; and (ii) prepaid fees for Cloud Services covering the remainder of the Cloud Services Subscription term after the effective date of termination. If this Agreement is terminated by LogRhythm in accordance with Section 11.2, Customer will pay any unpaid fees covering the remainder of the applicable term of all Orders. In no event will termination relieve Customer of its obligation to pay any fees payable to LogRhythm prior to the effective date of termination.

11.4 Effects of Termination. Upon termination or expiry of this Agreement (i) all licensed rights granted in this Agreement shall immediately terminate, and Customer will lose access to the applicable Cloud Service; and (ii) Customer must promptly discontinue all use of the Software, erase all copies of the Software from Customer's computers, return to LogRhythm or destroy all copies of the Software, Documentation and other LogRhythm Information in Customer's possession or control. Sections

1, 2.4.6, 7.4, 8, 9, 10, 11 and 12 shall survive expiry or termination of the Agreement for any reason, together with any accrued payment obligations and any other sections of this Agreement which expressly or by their nature survive expiry or termination.

11.5 Customer Data Portability and Deletion. Upon termination of a Cloud Service Subscription, Customer will be granted access, at no additional charge, to the Cloud Service for an additional 30 days following such termination to enable Customer to access any Customer Data that is archived in the Cloud Service. Upon written request by Customer made before the effective date of termination of a Cloud Service Subscription and for a mutually agreed upon fee, LogRhythm may assist Customer with the transition of Customer Data which remains archived in a Cloud Service after termination of the Cloud Services Subscription. Thirty-one (31) days following expiration or termination of Customer's Cloud Services Subscription, LogRhythm will have no obligation to maintain or provide any of Customer Data relating to the Cloud Service, and Customer hereby authorizes LogRhythm thereafter to delete all Customer Data relating to such Cloud Service that is in its possession or under its control, unless LogRhythm is otherwise legally prohibited from doing so.

12. GENERAL.

12.1 Proprietary Rights. The Software, Cloud Services and Documentation, and all worldwide Intellectual Property Rights therein, are the exclusive property of LogRhythm and its licensors. All rights in and to the Software, Cloud Services and Documentation not expressly granted to Customer in this Agreement are reserved by LogRhythm and its licensors. Customer shall not remove, alter, or obscure any proprietary notices (including copyright notices) of LogRhythm or its licensors on or within the Software, Cloud Services or Documentation.

12.2 Compliance with Laws. Customer shall not export, reexport, or transfer, directly or indirectly, any information, process, product, technology, funds or services to countries or territories specified as prohibited destinations under U.S. trade controls laws, including Cuba, Iran, North Korea, Sudan, Syria, and the Crimea region or as otherwise prohibited by U.S. trade control laws, including the economic sanctions and export control laws and regulations administered by the U.S. Department of Commerce, U.S. Department of the Treasury, and U.S. Department of State.

12.3 Assignment. Neither party shall have the right to assign, novate or transfer, by operation of law or otherwise, this Agreement or any of its rights under the Agreement without the other party's prior written consent, which consent shall not be unreasonably withheld or delayed; except that each party shall have the right to assign this Agreement, without consent, to any successor to all or substantially all its business or assets to which this Agreement relates, whether by merger, sale of assets, sale of stock, reorganization or otherwise. Any attempted assignment, novation or transfer in violation of the foregoing will be null and void. This Agreement is binding

upon and inures to the benefit of the parties, and to their permitted successors and assigns.

12.4 Force Majeure. Except for any payment obligations, neither party shall be liable hereunder by reason of any failure or delay in the performance of its obligations hereunder for any cause which is beyond the reasonable control of such party.

12.5 License Metrics. If Customer's Product or Cloud Service is licensed by messages per second ("MPS") as specified in the Order, the MPS use limitation of the license refers to a rolling 24-hour average of messages per second received by the Software whereby "message" means each individual log or system event received by the Product or Cloud Service including without limitation flat file, SNMP, SMTP, netflow (j flow and S flow), syslog or other event or system record. For Enterprise Software licenses, (i) Customer may exceed the MPS limitation by up to 10% without additional charge, and (ii) Customer will not be charged for a one-time anomalous event that causes a spike in MPS usage above the specified MPS limitation. If Customer's Product or Cloud Service is licensed by network bandwidth (specified in the Order as a bandwidth or bandwidth per second such as 1GB or 1GB/second), the network bandwidth use limitation refers to a rolling 15-minute average of network bandwidth usage per second. For a license or right of use based on "Identities", an Identity is a unique person or service account. A person-based Identity may have multiple identifiers such as user accounts, email addresses, and phone numbers. A service account is a user account that is created explicitly to provide an authentication context for a computer or set of computers and/or services running on that computer. An Identity license is required for each unique person-based Identity and each unique service account.

12.6 Notices. Any notices or other communications required or permitted to be given or delivered under this Agreement shall be in writing and delivered by one of the following methods: (a) personal delivery; (b) registered or certified mail, in each case, with tracking and/or signature on delivery and postage prepaid; or (c) nationally recognized courier specifying next day delivery and notification of receipt. Operational approvals and consents required under this Agreement may be delivered by e-mail. A notice meeting all requirements of this Section 12.6 will be deemed effectively received: (i) when personally delivered, upon personal delivery to the party to be notified; (ii) when sent by registered or certified mail within the same country, three (3) Business Days after having been sent by registered or certified mail; (iii) when sent by registered or certified mail internationally, two (2) weeks after having been sent by registered or certified mail; (iv) when sent via nationally recognized overnight courier within the same country, one (1) Business Day after deposit with such courier; or (v) on the date on which such notice is delivered by e-mail transmission. A party shall deliver notices to the address, e-mail address number set forth on the applicable Order or to such other address, e-mail address or facsimile number as a party may designate by ten (10) days' advance written notice to the other parties.

12.7 Governing Law. The laws of the State of New South Wales shall govern this Agreement, without regard to any conflicts of laws principles that would require the application of the laws of a different jurisdiction. Each party irrevocably and unconditionally submits to the non-exclusive jurisdiction of the courts of New South Wales including, for the avoidance of doubt, the Federal Court of Australia sitting in New South Wales.

12.8 The U.N. Convention for the International Sale of Goods is expressly excluded from, and does not apply to, this Agreement.

12.9 Arbitration. Subject to Section 12.10:

(a) Any dispute or difference whatsoever arising out of or in connection with this Agreement, its negotiation, performance, breach, existence or validity, shall be submitted to arbitration in accordance with, and subject to, Resolution Institute Arbitration Rules.

(b) The number of arbitrators shall be one.

(c) Unless the parties agree upon an arbitrator within 10 days after receipt of a notice from one party to the other requesting arbitration, either party may request that the Chair of Resolution Institute selects the arbitrator.

(d) The place of arbitration shall be Sydney, Australia.

(e) The language of the arbitration shall be English.

(f) The parties agree that the award (or awards, if the arbitrator makes separate awards on different issues) of the arbitrator shall be the sole and exclusive remedy between them regarding any claims and counterclaims presented or pled to the arbitrator. The decision of the arbitrator shall be final and binding.

(g) Judgment upon the award rendered may be entered by any court having jurisdiction, or application may be made to such court for a judicial recognition of the award or an order for enforcement thereof.

(h) The costs of the arbitration shall be paid as the arbitrator may determine.

(i) All obligations under this Agreement will continue during the arbitration proceedings, and no payments due or payable by Customer shall be withheld on account of such proceedings.

(j) The parties agree to keep all details of the arbitration proceedings and arbitral award strictly confidential and shall use all reasonable efforts to take such action as may be appropriate to prevent the unauthorized disclosure of the proceedings, any information disclosed in connection therewith, and the award granted.

12.10 Remedies. Except as provided in in this Agreement, the parties' rights and remedies under the Agreement are cumulative. Customer acknowledges that the Software contains valuable trade secrets and proprietary information of LogRhythm, that any actual or threatened breach of Sections 2 or 10 by Customer will constitute immediate, irreparable harm to LogRhythm for which monetary damages would be an inadequate remedy, and that notwithstanding Section 12.9, LogRhythm may

seek and obtain injunctive relief in respect of such actual or threatened breach.

12.11 Waivers. No delay or failure of a party to exercise any of its rights, powers or remedies or to require satisfaction of a condition under this Agreement will impair any such right, power, remedy, or condition, nor will any delay or omission be construed to be a waiver of any breach, default or noncompliance under this Agreement. Any waiver or failure to enforce any provision of this Agreement on one occasion will not be deemed a waiver of any other provision or of the same provision on any other occasion. To be effective, a waiver must be in writing signed by the party granting the waiver and will be effective only to the extent specifically set forth in such writing.

12.12 Third Party Software. Certain Third-Party Software may be provided with the Products or used in the Cloud Services that is subject to the accompanying license(s), if any, of its respective owner(s). To the extent portions of the Products or Cloud Services are subject to open source licenses obligating LogRhythm to make the source code for such portions publicly available (such as the GNU General Public License ("GPL") or the GNU Lesser General Public License ("LGPL")), LogRhythm will make such source code portions (including LogRhythm modifications, as appropriate) available upon request for a period of up to three (3) years from the date of distribution. Such request can be made in writing to 4780 Pearl East Circle, Boulder, CO 80301: Attn: Legal Department. Customer may obtain a copy of the GPL at <http://www.gnu.org/licenses/gpl.html>, and a copy of the LGPL at <http://www.gnu.org/licenses/lgpl.html>. Subject to the terms of any applicable open source license(s), Third Party Software is licensed solely for use as embedded or integrated with the Products or Cloud Service.

12.13 Severability. If a provision of this Agreement is unenforceable, invalid, void, or illegal, then the intent of the parties is that (a) the validity, legality, and enforceability of the remaining provisions of the Agreement are not affected or impacted in any way and the remainder of this Agreement is enforceable between the parties, and (b) the unenforceable, invalid, void, or illegal provision will be severed to the extent that it is unenforceable, invalid, void, or illegal.

12.14 Construction. In this Agreement:

(a) the headings of sections of this Agreement are for convenience and are not to be used in interpreting this Agreement;

(b) the words "including", "such as", "particularly" and similar expressions are not used as, nor intended to be interpreted as, words of limitation; and

(c) no rule of construction applies to the disadvantage of a party because that party was responsible for the preparation of this Agreement or any part of it.

12.15 Counterparts. The parties may execute the Agreement in several counterparts, each of which will constitute an original and all of which, when taken together, will constitute one agreement.

12.16 Entire Agreement. This Agreement (together with all exhibits and attachments and all Orders and Statements of Work made hereunder) constitutes the final agreement

between the parties and is the complete and exclusive expression of the parties' agreement to the matters contained in the Agreement. The Agreement supersedes and merges all prior and contemporaneous understandings, agreements or representations by or among the parties, written or oral, that may have related in any way to the subject matter hereof. This Agreement may be amended only by a written instrument signed by each of the parties. Customer may issue a purchase order to

LogRhythm to confirm any Order, but no terms of any purchase order or similar document submitted by Customer (whether additional or contradictory) shall apply to this Agreement and all such terms are hereby rejected. Unless otherwise specified in a future Order this Agreement governs all future transactions for LogRhythm products and services between the parties.

The Software shall be deemed delivered when a licence key which unlocks the Software is provided to Customer and, if Customer is not already in possession of the Software, LogRhythm has enabled Customer to electronically download the Software. Customer is responsible for configuring customer-provided hardware or virtual environment in accordance with the configuration parameters as noted in the Documentation. Improper hardware or virtual environment that does not comply with the Documentation configuration may prevent the Software from operating properly and any such hardware or configuration may not be supported by LogRhythm.

Upon

termination of such Support Services Customer may continue to use the Software in accordance with this Agreement without the benefits provided under the Support Services Annex A. Support Services Fees for the Initial Term are set forth in the applicable Order and are invoiced on the Delivery Date. Under no circumstances are the Support Services transferrable or assignable by the Customer to any third party. The Support Services term for Licence Subscriptions is concurrent with the Licence Subscription term. LogRhythm may increase Support Services Fees for a Support Services renewal term up to seven percent over the prior year's Support Services Fees. The Support Services term for Licence Subscriptions and Cloud Services Subscriptions is concurrent with the applicable subscription term.

5.2 Professional Services. Subject to payment of the professional service fees ("Professional Services Fees") set forth in an Order, LogRhythm shall provide to Customer the professional services specified in the Order and in accordance with Annex B attached to this Agreement and incorporated herein ("Professional Services"). Customer shall pay all fees due to LogRhythm within thirty (30) days from the date of the invoice unless otherwise specified in writing by LogRhythm. Customer shall be responsible for all applicable sales, VAT, use, and other taxes (excluding taxes based on LogRhythm's income) and all applicable export and import fees, customs duties and similar charges. All fees are non-refundable unless otherwise expressly stated herein. If Customer purchases product or services through an Authorized Reseller, price and payment terms are between Customer and the Authorized Reseller.

Customer will promptly pay to LogRhythm any amounts owed plus interest as provided in Section 4.3. Such audits will be conducted no more than once in any period of twelve (12) consecutive months.

7. WARRANTY; DISCLAIMER.

7.1 Product Warranty. For a period of ninety (90) days after the Delivery Date (the "Warranty Period"), LogRhythm warrants that the Products, when used in accordance with the instructions in the applicable Documentation, will operate as described in the Documentation in all material respects. LogRhythm does not warrant that Customer's use of the Products will be error-free or uninterrupted. LogRhythm will, at its own expense and as its sole

obligation and Customer's exclusive remedy for any breach of this warranty, correct any reproducible Error in the Products or replace any defective Product provided that such Error is reported to LogRhythm by Customer in writing during the Warranty Period and that Customer provides all information that may be necessary to assist LogRhythm in resolving the error or defect, or sufficient information to enable LogRhythm to recreate the Error or defect. If LogRhythm determines that it is unable to correct the Error or replace the Product, Customer may terminate this Agreement and LogRhythm or the Authorized Reseller will refund to Customer Licence and Support Services fees actually paid for the defective Product, in which case Customer's right to use the Product will terminate.

CUSTOMER SHALL NOT USE THE PRODUCTS OR CLOUD SERVICES WITH OR IN ANY APPLICATION OR SITUATION WHERE A FAILURE COULD LEAD TO DEATH OR SERIOUS BODILY INJURY OF ANY PERSON, OR TO SEVERE PHYSICAL OR ENVIRONMENTAL DAMAGE ("HIGH RISK ACTIVITIES"). LOGRHYTHM AND ITS LICENSORS SPECIFICALLY DISCLAIM ANY EXPRESS OR IMPLIED WARRANTY OF FITNESS FOR HIGH

RISK ACTIVITIES, AND LOGRHYTHM AND ITS LICENSORS SHALL HAVE NO LIABILITY OF ANY NATURE AS A RESULT OF ANY SUCH USE OF THE SOFTWARE OR CLOUD SERVICES.

8. INFRINGEMENT CLAIMS.

8.1 Indemnity. LogRhythm will defend Customer at LogRhythm's expense against any claim, demand, suit, or proceeding brought against Customer by a third party alleging that a Product or Cloud Service when used in accordance with the terms of this Agreement infringes or misappropriates such third party's Intellectual Property Rights (each, a "Claim"), and LogRhythm will indemnify Customer from any damages, attorney's fees and costs finally awarded against Customer as a result of, or for amounts paid by Customer under a settlement approved by LogRhythm in writing of a Claim provided that Customer (a) notifies LogRhythm promptly in writing of the Claim, (b) does not make any admission of liability, agreement or compromise in relation to any infringement claim without the prior written consent of LogRhythm (such consent not to be unreasonably conditioned, delayed or withheld), (c) gives LogRhythm sole control of the defence thereof and any related settlement negotiations, (d) reasonably cooperates and, at LogRhythm's request and expense, assisting in such defence; and (e) wherever and whenever possible takes all reasonable steps to mitigate its losses that are the subject of the Claim.

If the Agreement is terminated under this Section 6.2: (i) for Products, LogRhythm will refund Customer the fees paid for such Product computed according to a thirty-six (36) month straight-line amortization schedule beginning on the Delivery Date and (ii) for Cloud Services Customer shall be entitled to a refund pursuant to Section 11.3; and Customer will be entitled to terminate any Support Services related to such Product or Cloud Service and if Customer elects to do so, those Support Services will terminate on the date specified in the notice of termination issued by Customer to LogRhythm and

LogRhythm will refund to Customer the unexpired portion of the Support Services Fees.

8.3 Exclusions. Notwithstanding the foregoing, LogRhythm will have no obligation under this Section 6 or otherwise with respect to any Claim based upon (a) any use of the Product or Cloud Service not in accordance with this Agreement, (b) any use of the Product or Cloud Service in combination with other products, hardware, equipment, or software not provided by LogRhythm if the Product, Cloud Service or use thereof would not infringe without such combination, (c) use of any release of the Software other than the most current release made available to Customer, provided that LogRhythm notified Customer that any Update to the Software could avoid infringement and further provided that LogRhythm will provide indemnity for use up to the date of such notification; or (d) any modification of the Software or Cloud Service by any person other than LogRhythm or its authorized agents or subcontractors. This section 6 constitutes Customer's exclusive remedy and LogRhythm's only liability in respect of Claims.

9. LIMITATION OF LIABILITY. Subject to section 8 and section 9, in no event will either party be liable for the following loss or damage arising from or relating to this Agreement, howsoever caused, whether direct or indirect and even if such party has been advised of the possibility of such damages: (a) for any loss or corruption of data; (b) loss of profit; (c) loss of revenue; (d) loss of business opportunity; (e) loss of anticipated savings or damage to goodwill; or (f) any consequential, indirect, exemplary, special, or incidental damages. Reference source not found.** or in the LogRhythm's case, claims for loss or damage resulting from Customer's breach of any of LogRhythm's Intellectual Property Rights, for which the Customers liability shall be unlimited.

10. TOTAL LIABILITY. Subject to section 8 and section 9, LogRhythm's total cumulative liability in connection with this Agreement, the Products, Cloud Services and any related services, whether in contract or tort (including negligence) or otherwise, will not exceed a sum equal to 1.25 times the amount of fees (including Support Services Fees (if any)) paid or payable by Customer to Authorized Reseller during the twelve (12) month period preceding the events giving rise to such liability or five thousand British pounds (GBP£5,000), whichever is the higher.

11. LIABILITY NOT EXCLUDED. Neither party excludes its liability in respect of: death or personal

injury caused by the negligence of that party, its servants or agents; or liability for fraud or fraudulent misrepresentation; or breach of statutory warranties of title and quiet possession; or such other liability which cannot be excluded or limited by law.

12. CONFIDENTIALITY.

12.1 Confidential Information. For purposes of this Section 10 ("Information") means information that is disclosed by a party ("Discloser") to the other party ("Recipient"), or which Recipient has access to in connection with this Agreement, and that should reasonably have been understood by Recipient to be proprietary and confidential to Discloser or to a third party, because of legends or other markings, the circumstances of disclosure or the nature of the information itself. Information may be disclosed in written or other tangible form (including on magnetic media) or by oral, visual or other means. Recipient will not use any Information of Discloser for any purpose not expressly permitted by the Agreement, and will disclose the Information of Discloser only to the employees or contractors of Recipient who have a need to know such Information for purposes of the Agreement and who are under a duty of confidentiality no less restrictive than Recipient's duty hereunder. Recipient will protect Discloser's Information from unauthorized use, access, or disclosure in the same manner as Recipient protects its own confidential or proprietary information of a similar nature and with no less than reasonable care.

12.3 Anonymization. In the course of providing the Cloud Service to Customer, LogRhythm may collect, maintain and/or generate information derived from Customer's use of the Cloud Services or through LogRhythm's provision of the Cloud Services, provided that (a) such information has been anonymized in accordance with industry standards and any applicable laws and (b) neither Customer nor any natural person can be identified through analysis of the information ("Derivative Data"). Derivative Data is not Customer Data or Information, and LogRhythm

may process Derivative Data for purposes other than the performance of the Cloud Services.

13. TERM AND TERMINATION

13.1 Term. The term of the Agreement continues until terminated as provided in Section 11.2 (the "Term").

13.3 Refund or Payment upon Termination. If this Agreement is terminated by Customer in accordance with Section 11.2 (Termination), LogRhythm will refund Customer: (i) any prepaid, unused fees for services; and (ii) prepaid fees for Cloud Services covering the remainder of the Cloud Services Subscription term after the effective date of termination. If this Agreement is terminated by LogRhythm in accordance with this Section 11.2, Customer will pay any unpaid fees covering the remainder of the applicable term of all Orders. In no event will termination relieve Customer of its

obligation to pay any fees payable to LogRhythm prior to the effective date of termination.

13.4 Effects of Termination. Upon termination of this Agreement: (i) all licence and use rights granted in this Agreement will immediately cease to exist, and Customer will lose all access to the applicable Cloud Service; and (ii) and Customer must promptly discontinue all use of the Software, erase all copies of the Software from Customer's computers, return to LogRhythm or destroy all copies of the Software, Documentation and other LogRhythm Information in Customer's possession or control. 13.5 Customer Data Portability and Deletion. Upon termination of a Cloud Service Subscription, Customer will be granted access, at no additional charge, to the Cloud Service for an additional 30 days following such termination to enable Customer to access any Customer Data that is archived in the Cloud Service. Upon written request by Customer made before the effective date of termination of a Cloud Service Subscription and for a mutually agreed upon fee, LogRhythm may assist Customer with the transition of Customer Data which remains archived in a Cloud Service after termination of the Cloud Services Subscription. Thirty-one (31) days following expiration or termination of Customer's Cloud Services Subscription, LogRhythm will have no obligation to maintain or provide any of Customer Data relating to the Cloud Service, and Customer hereby authorizes LogRhythm thereafter to delete all Customer Data relating to such Cloud Service that is in its possession or under its control, unless LogRhythm is otherwise legally prohibited from doing so.

14. GENERAL

14.1 Proprietary Rights. The Software, Cloud Services and Documentation, and all worldwide Intellectual Property Rights therein, are the exclusive property of LogRhythm and its licensors. All rights in and to the Software, Cloud Services and Documentation not expressly granted to Customer in this Agreement are reserved by LogRhythm and its licensors. Customer will not remove, alter, or obscure any proprietary notices (including copyright notices) of LogRhythm or its licensors on the Software or the Documentation.

14.2 Compliance with Laws. Each party shall comply with all laws, rules, and regulations, applicable to that party in connection with this

Agreement, including all applicable export and import control laws and regulations in its use of the Products and Cloud Services and, in particular, neither party shall export or re-export Products without all required government licenses and each party agrees to comply with the export laws, restrictions, national security controls and regulations of the all applicable foreign agencies or authorities. Customer shall not export, reexport, or transfer, directly or indirectly, any information, process, product, technology, funds or services to countries or territories specified as prohibited destinations under U.S. trade controls laws, including Cuba, Iran, North Korea, Sudan, Syria, and the Crimea region or as otherwise prohibited by U.S. trade control laws, including the economic sanctions and export control laws and regulations administered by the U.S. Department of Commerce, U.S. Department of the Treasury, and U.S. Department of State.

LogRhythm shall: (a) comply with all applicable laws, regulations, codes and sanctions relating to anti-bribery and anti-corruption including but not limited to the Bribery Act 2010 ("Relevant Requirements"); (b) not engage in any activity, practice or conduct which would constitute an offence under sections 1, 2 or 6 of the Bribery Act 2010 if such activity, practice or conduct had been carried out in the UK; (c) have and shall maintain in place throughout the term of this agreement its own policies and procedures, including but not limited to adequate procedures under the Bribery Act 2010 or any other applicable legislation, to ensure compliance with the Relevant Requirements and Section 12.3(b), and will enforce them where appropriate; (d) promptly report to Customer any request or demand for any undue financial or other advantage of any kind received by LogRhythm in connection with the performance of this Agreement; (e) immediately notify Customer (in writing) if a foreign public official becomes an officer or employee of the LogRhythm and/or acquires a direct or indirect interest in the LogRhythm (and LogRhythm warrants that it has no foreign public officials as officers or employees and/or direct or indirect owners at the date of this Agreement); (f) on written request, certify to Customer in writing signed by an officer of LogRhythm, compliance with this Section **Error! Reference source not found.** by LogRhythm and all persons associated with it and all other persons for whom the LogRhythm is responsible under Section **Error! Reference source not found.**(c). LogRhythm shall provide such supporting evidence of compliance as Customer may reasonably request. LogRhythm shall ensure that any person associated with LogRhythm who is performing services or providing goods in connection with this

Agreement does so only on the basis of a written contract which imposes on and secures from such person terms equivalent to those imposed on LogRhythm in this Section **Error! Reference source not found.** ("Relevant Terms"). LogRhythm shall in all circumstances be responsible for the observance and performance by such persons of the Relevant Terms and shall in all circumstances be directly liable to the Company for any breach by such persons of any of the Relevant Terms howsoever. Breach of this Section 12.3 shall be deemed an irredeemable material breach. For the purpose of this Section **Error! Reference source not found.**, the meaning of adequate procedures and foreign public official and whether a person is associated with another person shall be determined in accordance with section 7(2) of the Bribery Act 2010 (and any guidance issued under section 9 of that Act), sections 6(5) and 6(6) of that Act and section 8 of that Act respectively, or if applicable, any equivalent provisions of any other applicable legislation in another jurisdiction. For the purposes of this Section **Error! Reference source not found.** a person associated with LogRhythm includes but is not limited to any subcontractor of LogRhythm.

14.4 Anti-Slavery: LogRhythm shall take reasonable steps to ensure that slavery and human trafficking (as such phrase is defined in section 54(12), Modern Slavery Act 2015, or any equivalent provision in equivalent legislation in another applicable jurisdiction) is not taking place in any of its supply chains or in any part of its own business. LogRhythm shall, at the Customer's request, provide the Customer with a statement of such steps it has taken, together with such other information as the Customer may reasonably require in order to enable it to prepare a slavery and human trafficking statement in accordance with section 54, Modern Slavery Act 2015, or any equivalent provision in equivalent legislation in another applicable jurisdiction.

14.5 Assignment. Neither party may assign, novate or transfer, by operation of law or otherwise, this Agreement or any of its rights under the Agreement (including the benefit of the Support Services and the Professional Services and the licence rights granted to the Customer to the Software) to any third party without the other party's prior written consent, provided that such third party assignee or transferee shall agree to be bound by the terms of this Agreement; except that each party shall have the right to assign this Agreement, without consent, to any successor to all or substantially all its business or assets to which this Agreement relates, whether by merger, sale of assets, sale of stock,

reorganization or otherwise. Any attempted assignment novation, or transfer in breach of the foregoing will be null and void.

14.6 Force Majeure. Except for any payment obligations, neither party shall be liable hereunder by reason of any failure or delay in the performance of its obligations hereunder for any cause which is beyond the reasonable control of such party. In such circumstances, the affected party shall be entitled to a reasonable extension of the time for performing such obligations. If the period of delay or non-performance continues for 3 months, the party not affected may terminate this agreement by giving 30 days written notice to the affected party.

14.7 Licence Metrics. If Customer's Product or Cloud Service is licensed by messages per second (MPS) as specified in the Order, the MPS use limitation of the licence refers to a rolling 24-hour average of messages per second received by the Product or Cloud Service whereby "message" means each individual log or system event received by the Software including without limitation flat file, SNMP, SMTP, netflow (j flow and S flow), syslog or other event or system record. For Enterprise Software licenses, (i) Customer may exceed the MPS limitation by up to 10% without additional charge, and (ii) Customer will not be charged for a one-time anomalous event that causes a spike in MPS usage above the specified MPS limitation. If Customer's Software is licensed by network bandwidth (specified in the Order as a bandwidth or bandwidth per second such as 1GB or 1GB/second), the network bandwidth use limitation refers to a rolling 15-minute average of network bandwidth usage per second. For a licence or right of use based on "Identities", an Identity is a unique person or service account. A person-based Identity may have multiple identifiers such as user accounts, email addresses, and phone numbers. A service account is a user account that is created explicitly to provide an authentication context for a computer or set of computers and/or services running on that computer. An Identity licence is required for each unique person-based Identity and each unique service account.

14.8 Notices. All notices, consents, and approvals under this Agreement must be delivered in writing by courier, by electronic mail, facsimile (fax), or by certified mail, (postage prepaid and return receipt requested) to the other party at the address set forth on the Order and will be effective upon receipt or when delivery is refused. Either party may change its address by giving notice in writing of the new address to the other party.

14.9 Governing Law and Jurisdiction. This Agreement, all Statements of Work and any dispute

or claim arising out of or in connection with the same or its subject matters or formation (including non-contractual disputes or claims) will be governed by and interpreted in accordance with English Law, without reference to its choice of laws rules. Any proceedings relating to any claim or matter arising out of or in connection with this Agreement or any Statement of Work instituted against LogRhythm by Customer shall be brought in the courts of the State of Colorado and any such proceedings brought against Customer by LogRhythm shall be brought in the courts of England and Wales. Each party agrees that the specified courts shall have exclusive jurisdiction over such disputes save that any counterclaim may be brought in any proceedings already commenced.

14.10 Remedies. Except as provided in Sections 6 and 7, the parties' rights and remedies under the Agreement are cumulative. Customer acknowledges that the Software contains valuable trade secrets and proprietary information of LogRhythm, that any actual or threatened breach of Section 2 by Customer will constitute immediate, irreparable harm to LogRhythm for which monetary damages would be an inadequate remedy, and that injunctive relief is an appropriate remedy for such breach. If any legal action is brought by a party to enforce the Agreement, the prevailing party will be entitled to receive its reasonable legal fees, court costs, and other collection expenses, in addition to any other relief it may receive.

14.10 Remedies. Except as provided in Sections 7.5 and 9, the parties' rights and remedies under the Agreement are cumulative. Customer acknowledges that the Software contains valuable trade secrets and proprietary information of LogRhythm, that any actual or threatened breach of Section 2 by Customer will constitute immediate, irreparable harm to LogRhythm for which monetary damages would be an inadequate remedy, and that injunctive relief is an appropriate remedy for such breach. If any legal action is brought by a party to enforce the Agreement, the prevailing party will be entitled to receive its reasonable legal fees, court costs, and other collection expenses, in addition to any other relief it may receive.

14.11 Waivers. All waivers must be in writing. Any waiver or failure to enforce any provision of this Agreement on one occasion will not be deemed a waiver of any other provision or of such provision on any other occasion.

Subject to the terms of any applicable open source license(s), Third Party Software is licensed solely for use as embedded or integrated with the Product or Cloud Services.

14.13 Severability. If any provision of this Agreement is unenforceable, such provision will be changed and interpreted to accomplish the objectives of such provision to the greatest extent possible under applicable law or shall, to the extent required, be deemed not to form part of this Agreement, in either case, the remaining provisions of this Agreement will continue in full force and effect. Without limiting the generality of the foregoing, Section 9 will remain in effect notwithstanding the unenforceability of any provision in Section 7.

14.14 Construction. The headings of sections of this Agreement are for convenience and are not to be used in interpreting this Agreement. As used in this Agreement, the word “including” means “including but not limited to.”

14.15 Third Parties. The parties confirm that this Agreement is not intended to confer any rights on third parties and accordingly the Contracts (Rights of Third Parties) Act 1999 shall not apply to this Agreement.

14.16 Entire Agreement. This Agreement (including the annexes and attachments and all Orders and Statements of Work made hereunder) constitutes the entire agreement between LogRhythm and the Customer regarding the subject hereof and supersedes all prior or

contemporaneous agreements, understandings, and communication, whether written or oral.

Each party acknowledges that, in entering into this Agreement, it has not relied on any statement, representation (whether negligent or innocent), assurance or warranty, whether written or oral, of any person (whether a party to this Agreement or not) other than as expressly set out in this Agreement and that it shall have no remedy in respect of such representations. This section shall not apply to any statement, representation, assurance or warranty made fraudulently. Each party agrees and undertakes to the other party that the only rights and remedies available to it arising out of or in connection with this Agreement or its subject matter shall be for breach of contract. Unless otherwise specified in a future Order, this Agreement governs all future transactions for LogRhythm products between the parties.

14.17 Amendment This Agreement may be amended only by a written document signed by both parties. The terms of any purchase order or similar document submitted by Customer to LogRhythm will have no effect.

RELATED SERVICES, WHETHER IN CONTRACT OR TORT OR OTHERWISE, SHALL NOT EXCEED THE AMOUNT OF FEES PAID TO LOGRHYTHM DURING THE TWELVE (12) MONTH PERIOD PRECEDING THE EVENTS GIVING RISE TO SUCH LIABILITY. THE FOREGOING LIMITATIONS OF LIABILITY SHALL NOT APPLY TO BREACH OF SECTIONS 2.1, 2.2., 2.3 OR 10 OR ANY INDEMNITY OBLIGATIONS IN SECTION 8.1.

10. CONFIDENTIALITY.

10.1 Confidential Information. For purposes of this Section 10, ("Information") means information that is disclosed by a party ("Discloser") to the other party ("Recipient"), or which Recipient has access to in connection with this Agreement, and that should reasonably have been understood by Recipient to be proprietary and confidential to Discloser or to a third party, because of legends or other markings, the circumstances of disclosure or the nature of the information itself. Information may be disclosed in written or other tangible form (including on magnetic media) or by oral, visual or other means. Information includes, without limitation, information of or relating to the Discloser's present or future products, know-how, formulas, designs, processes, ideas, inventions and other technical, business and financial plans, processing information, pricing information, specifications, research and development information, customer lists, the identity of any customers or suppliers, forecasts and any other information relating to any work in process, future development, marketing plans, strategies, financial matters, personnel matters, investors or business operations of the Discloser, as well as the terms of this Agreement.

10.2 Protection of Information. Recipient shall not use any Information of Discloser for any purpose not expressly permitted by the Agreement, and shall disclose the Information of Discloser only to the employees or contractors of Recipient who have a need to know such Information for purposes of the Agreement and who are under a duty of confidentiality no less restrictive than Recipient's duty hereunder. Recipient shall protect Discloser's Information from unauthorized use, access, or disclosure in the same manner as Recipient protects its own confidential or proprietary information of a similar nature and with no less than reasonable care.

10.3 Anonymization. In the course of providing the Cloud Service to Customer, LogRhythm may collect, maintain and/or generate information derived from Customer's use of the Cloud Services or through LogRhythm's provision of the Cloud Services, provided that (a) such information has been anonymized in accordance with industry standards and any applicable laws and (b) neither Customer nor any natural person

can be identified through analysis of the information ("Derivative Data"). Derivative Data is not Customer Data or Information, and LogRhythm may process Derivative Data for purposes other than the performance of the Cloud Services.

10.4 Exceptions. Recipient's obligations under Section 10.2 with respect to any Information of Discloser shall terminate if such information: (a) was already known to Recipient at the time of disclosure by Discloser; (b) was disclosed to Recipient by a third party who had the right to make such disclosure without any confidentiality restrictions; (c) is, or through no fault of Recipient has become, generally available to the public; or (d) was independently developed by Recipient without access to, or use of, Discloser's Information. In addition, Recipient shall be allowed to disclose Information of Discloser to the extent that such disclosure is: (i) approved in writing by Discloser; (ii) necessary for Recipient to enforce its rights under the Agreement in connection with a legal proceeding; or (iii) required by law or by the order of a court of similar judicial or administrative body, provided that Recipient notifies Discloser of such required disclosure promptly and in writing and cooperates with Discloser, at Discloser's request and expense, in any lawful action to contest or limit the scope of such required disclosure.

10.5 Return of Information. Except as otherwise expressly provided in this Agreement, Recipient shall return to Discloser or destroy all Information of Discloser in Recipient's possession or control and permanently erase all electronic copies of such Information promptly upon the written request of Discloser. Recipient shall certify in writing signed by an officer of Recipient that it has fully complied with its obligations under this Section 10.5.

11. TERM AND TERMINATION.

11.1 Term. The term of the Agreement continues until terminated as provided in Section 11.2 (the "Term").

11.2 Termination. Either party may terminate the Agreement if the other party breaches any material provision of the Agreement and does not cure such breach within thirty (30) days of receiving written notice thereof.

11.3 Refund or Payment upon Termination. If this Agreement is terminated by Customer in accordance with Section 11.2 (Termination), LogRhythm will refund Customer: (i) any prepaid, unused fees for services; and (ii) prepaid fees for Cloud Services covering the remainder of the Cloud Services Subscription term after the effective date of termination. If this Agreement is terminated by LogRhythm in accordance with Section 11.2, Customer will pay any unpaid fees covering the remainder of the applicable term of all

Orders. In no event will termination relieve Customer of its obligation to pay any fees payable to LogRhythm prior to the effective date of termination.

11.4 Effects of Termination. Upon termination of this Agreement: (i) all license and use rights granted in this Agreement shall immediately terminate and Customer will lose access to the applicable Cloud Service; and (ii) Customer must promptly discontinue all use of the Software, erase all copies of the Software from Customer's computers, return to LogRhythm or destroy all copies of the Software, Documentation and other LogRhythm Information in Customer's possession or control. Sections 1, 2.4, 6, 7.4, 8, 9, 10, 11 and 12 together with any accrued payment obligations, shall survive expiration or termination of the Agreement for any reason, together with any accrued payment obligations and any other sections of this Agreement which expressly or by their nature survive expiry or termination.

11.5 Customer Data Portability and Deletion.

Upon termination of a Cloud Service Subscription, Customer will be granted access, at no additional charge, to the Cloud Service for an additional 30 days following such termination to enable Customer to access any Customer Data that is archived in the Cloud Service. Upon written request by Customer made before the effective date of termination of a Cloud Service Subscription and for a mutually agreed upon fee, LogRhythm may assist Customer with the transition of Customer Data which remains archived in a Cloud Service after termination of the Cloud Services Subscription. Thirty-one (31) days following expiration or termination of Customer's Cloud Services Subscription, LogRhythm will have no obligation to maintain or provide any of Customer Data relating to the Cloud Service, and Customer hereby authorizes LogRhythm thereafter to delete all Customer Data relating to such Cloud Service that is in its possession or under its control, unless LogRhythm is otherwise legally prohibited from doing so.

12. GENERAL.

12.1 Proprietary Rights. The Products, Cloud Services and Documentation, and all worldwide Intellectual Property Rights therein, are the exclusive property of LogRhythm and its suppliers. All rights in and to the Products, Cloud Services and Documentation not expressly granted to Customer in this Agreement are reserved by LogRhythm and its licensors. Customer shall not remove, alter, or obscure any proprietary notices (including copyright notices) of LogRhythm or its licensors on the Products, Cloud Services or Documentation.

12.2 Compliance with Laws. Each party shall comply with all laws, rules, and regulations, applicable

to that party in connection with this Agreement, including all applicable export and import control laws and regulations in its use of the Products and Cloud Services and, in particular, neither party shall export or re-export Products without all required government licenses and each party agrees to comply with the export laws, restrictions, national security controls and regulations of all the applicable foreign agencies or authorities. Customer shall not export, reexport, or transfer, directly or indirectly, any information, process, product, technology, funds or services to countries or territories specified as prohibited destinations under U.S. trade controls laws, including Cuba, Iran, North Korea, Sudan, Syria, and the Crimea region or as otherwise prohibited by U.S. trade control laws, including the economic sanctions and export control laws and regulations administered by the U.S. Department of Commerce, U.S. Department of the Treasury, and U.S. Department of State.

12.3 Assignment. Neither party shall have the right to assign, novate or transfer, by operation of law or otherwise, this Agreement or any of its rights under the Agreement without the other party's prior written consent, which consent shall not be unreasonably withheld or delayed; except that each party shall have the right to assign this Agreement, without consent, to any successor to all or substantially all its business or assets to which this Agreement relates, whether by merger, sale of assets, sale of stock, reorganization or otherwise. Any attempted assignment, novation or transfer in violation of the foregoing will be null and void. This Agreement is binding upon and inures to the benefit of the parties, and to their permitted successors and assigns.

12.4 Force Majeure. Except for any payment obligations, neither party shall be liable hereunder by reason of any failure or delay in the performance of its obligations hereunder for any cause which is beyond the reasonable control of such party.

12.5 License Metrics. If Customer's Product or Cloud Service is licensed by messages per second ("MPS") as specified in the Order, the MPS use limitation of the license refers to a rolling 24-hour average of messages per second received by the Software whereby "message" means each individual log or system event received by the Product or Cloud Service including without limitation flat file, SNMP, SMTP, netflow (j flow and S flow), syslog or other event or system record. For Enterprise Software licenses, (i) Customer may exceed the MPS limitation by up to 10% without additional charge, and (ii) Customer will not be charged for a one-time anomalous event that causes a spike in MPS usage above the specified MPS limitation. If Customer's Product or Cloud Service is licensed by network bandwidth (specified in the Order

as a bandwidth or bandwidth per second such as 1GB or 1GB/second), the network bandwidth use limitation refers to a rolling 15-minute average of network bandwidth usage per second. For a license or right of use based on "Identity", an Identity is a unique person or service account. A person-based Identity may have multiple identifiers such as user accounts, email addresses, and phone numbers. A service account is a user account that is created explicitly to provide an authentication context for a computer or set of computers and/or services running on that computer. An Identity license is required for each unique person-based Identity and each unique service account.

12.6 U.S. Government End Users. If Customer is a branch or agency of the United States Government, the following provision applies. The Software and Cloud Services are comprised of "commercial computer software" and "commercial computer software documentation" as such terms are used in 48 C.F.R. 12.212 and are provided to the Government (a) for acquisition by or on behalf of civilian agencies, consistent with the policy set forth in 48 C.F.R. 12.212; or (b) for acquisition by or on behalf of units of the Department of Defense, consistent with the policies set forth in 48 C.F.R. 227.7202-1 and 227.7202-3.

12.7 Notices. Any notices or other communications required or permitted to be given or delivered under this Agreement shall be in writing and delivered by one of the following methods: (a) personal delivery; (b) registered or certified mail, in each case, return receipt requested and postage prepaid; or (c) nationally recognized overnight courier specifying next day delivery and notification of receipt. Operational approvals and consents required under this Agreement may be delivered by e-mail. A notice meeting all requirements of this Section 12.7 will be deemed effectively received: (i) upon personal delivery to the party to be notified; (ii) three (3) business days after having been sent by registered or certified mail; (iii) one business day after deposit with a nationally recognized overnight courier; or (iv) on the date on which such notice is delivered by e-mail transmission. A party shall deliver notices to the address, e-mail address number set forth on the applicable Order or to such other address, e-mail address or facsimile number as a party may designate by ten (10) days' advance written notice to the other parties.

12.8 Governing Law. The laws of the State of Colorado shall govern this Agreement, without regard to any conflicts of laws principles that would require the application of the laws of a different jurisdiction. The U.N. Convention for the International Sale of Goods is expressly excluded from, and does not apply to, this Agreement.

12.9 Venue. Any party bringing a legal action or proceeding against the other party arising out of or relating to this Agreement, including, without limitation, to interpret or enforce any provision of this Agreement, shall bring the legal action or proceeding only in the state or federal courts located in Denver, Colorado. Each party consents and submits to the exclusive jurisdiction and venue of those courts for all legal actions and proceedings arising out of or relating to this Agreement. Each party irrevocably waives, to the fullest extent permitted by applicable law, (a) any objection that party may have to the laying of venue of any such proceeding or legal action brought in those courts and (b) any defense of inconvenient forum for the maintenance of a proceeding or legal action brought in those courts. Each of the parties consents to process being served by any party to this Agreement in any action or legal proceeding by the delivery of a copy thereof in accordance with the notice provisions in this Agreement.

12.10 Remedies. Except as provided in in this Agreement, the parties' rights and remedies under the Agreement are cumulative. Customer acknowledges that the Software contains valuable trade secrets and proprietary information of LogRhythm, that any actual or threatened breach of Section 2 or 10 by Customer will constitute immediate, irreparable harm to LogRhythm for which monetary damages would be an inadequate remedy, and that injunctive relief is an appropriate remedy for such breach. In any action or other proceeding brought under this Agreement, the prevailing party shall be entitled to recover from the non-prevailing party, and the non-prevailing party shall pay the prevailing party's reasonable attorneys' fees, costs, and expenses, in each of the foregoing cases, that are incurred in connection with such action, arbitration, or proceeding.

12.11 Waivers. No delay or failure of a party to exercise any of its rights, powers or remedies or to require satisfaction of a condition under this Agreement will impair any such right, power, remedy, or condition, nor will any delay or omission be construed to be a waiver of any breach, default or noncompliance under this Agreement. Any waiver or failure to enforce any provision of this Agreement on one occasion will not be deemed a waiver of any other provision or of the same provision on any other occasion. To be effective, a waiver must be in writing signed by the party granting the waiver, and will be effective only to the extent specifically set forth in such writing.

12.12 Third Party Software. Certain Third-Party Software may be provided with the Products or used in the Cloud Services that is subject to the accompanying license(s), if any, of its respective owner(s). To the extent portions of the Products or Cloud Services are

subject to open source licenses obligating LogRhythm to make the source code for such portions publicly available (such as the GNU General Public License ("GPL") or the GNU Library General Public License ("LGPL")), LogRhythm will make such source code portions (including LogRhythm modifications, as appropriate) available upon request for a period of up to three (3) years from the date of distribution. Such request can be made in writing to 4780 Pearl East Circle, Boulder, CO 80301: Attn: Legal Department. Customer may obtain a copy of the GPL at <http://www.gnu.org/licenses/gpl.html>, and a copy of the LGPL at <http://www.gnu.org/licenses/lgpl.html>. Subject to the terms of any applicable open source license(s), Third Party Software is licensed solely for use as embedded or integrated with the Product or Cloud Service.

12.13 Severability. If a provision of this Agreement is unenforceable, invalid, or illegal, then the intent of the parties is that (a) the validity, legality, and enforceability of the remaining provisions of the Agreement are not affected or impacted in any way and the remainder of this Agreement is enforceable between the parties, and (b) the unenforceable, invalid, or illegal provision will be modified and interpreted to accomplish the objectives of such provision to the greatest extent possible under applicable law.

12.14 Construction. The headings of sections of this Agreement are for convenience and are not to be used

in interpreting this Agreement. As used in this Agreement, the word "including" means "including but not limited to."

12.15 Counterparts. The parties may execute the Agreement in several counterparts, each of which will constitute an original and all of which, when taken together, will constitute one agreement.

12.16 Entire Agreement. This Agreement, together with all exhibits, attachments, Orders and Statements of Work made hereunder, constitutes the final agreement between the parties and is the complete and exclusive expression of the parties' agreement to the matters contained in the Agreement. The Agreement supersedes and merges all prior and contemporaneous understandings, agreements or representations by or among the parties, written or oral, that may have related in any way to the subject matter hereof. This Agreement may be amended only by a written instrument signed by each of the parties. Customer may issue a purchase order to LogRhythm to confirm the Order, but no terms of any purchase order or similar document submitted by Customer (whether additional or contradictory) shall apply to this Agreement and all such terms are hereby rejected. Unless otherwise specified in a future Order (which must be signed by both parties), and services, this Agreement governs all future transactions for LogRhythm products between the parties.
