

## Search and Register for a Class:

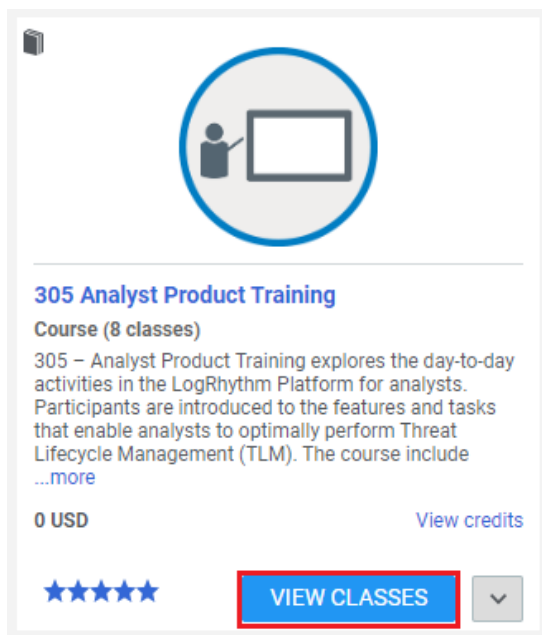

LogRhythm offers various free and paid training classes that are instructor-led and either virtual (computer-based) or in-person. To find a class and register:

1. Click on one of the Learning Plans on the Home Page or search for the course name/number in the Search box:

**Note:** Certain learning plans shown above may only be available to partners and/or employees and may not be visible on your home page.

1. Once you've located the class you want to take, click on **View Classes**.

- Locate the class that works for you, taking note of whether it's **In-Person** or **Virtual** and the **Location/Time Zone**. You can also apply a **Start date** or **Location** filter to narrow down the results. Once you find the class you want to register for, select **Buy Now**.
