Search and Register for a Class:

LogRhythm offers various free and paid training classes that are instructor-led and either virtual (computer-based) or in-person. To find a class and register:

1. Click on one of the Learning Plans on the Home Page or search for the course name/number in the Search box:

![Welcome to LogRhythm University](image)

**Note:** Certain learning plans shown above may only be available to partners and/or employees and may not be visible on your home page.

1. Once you’ve located the class you want to take, click on **View Classes**.
2. Locate the class that works for you, taking note of whether it’s In-Person or Virtual and the Location/Time Zone. You can also apply a Start date or Location filter to narrow down the results. Once you find the class you want to register for, select Buy Now.

3. On the order page, select Proceed to Payment.
4. On the Payment page, select **Pay by Training Units**.

5. If you have more than one agreement/organization available, type in how many credits you’d like to apply from each and click **Apply**.

6. Once you’re finished applying your credits, click **Close**.
Note: If you’ve made any mistakes, you can select Clear Payments and start over.

7. Make sure the Training Unit Summary on the right looks correct and click Continue.
8. Review the order and if everything looks correct, click **Confirm**.

You’ll receive a confirmation once complete and can now view the class under **My Learning** on the LRU home page.
